The game will go down in the buseball annals of this city as one of the greatest games ever score book was filled at the end of the afth inning and the scorers did not try to keep truck of them after that time Not one error can be charged up against either team but the way the ball was fumbled about the diamond was a caution. For some cause the players could not get their hands on the ball very often and when they did and had a chance to throw it, every one sent the little leather-covered sphere either too high or did not throw it hard enough to get it across the diamond. The game was a sharping match and three mough to strengthened by good players. The process undersome in the manufacture of priced team is smoon the best teams.
